

KUNAL YEOLE

SEO & Content Writer | Search Intent & On-Page SEO | GEO / AI Search Optimization

Pune, Maharashtra, India | kunal.yeole38@gmail.com | linkedin.com/in/kkunalyeole | kunalyeole3821.github.io/Portfolio-kunal

PROFESSIONAL SUMMARY

Content-driven SEO professional with hands-on experience writing marketing copy, content briefs, and campaign content, paired with practical on-page SEO execution on live client websites. Background spans audience research, search intent analysis, and AI-assisted content optimization, with a certification in AI SEO / Generative Engine Optimization (GEO). Comfortable moving between data (Google Analytics, Excel) and writing that actually connects with an audience. Looking to bring a writer's instinct and an SEO practitioner's discipline to a content-first, fast-moving team.

CORE SKILLS

- Content Writing — blog copy, UGC scripts, email campaigns, marketing copy
- On-Page SEO — meta titles/descriptions, headers, internal linking, content structure
- Keyword Research & Search Intent Analysis
- AI SEO / Generative Engine Optimization (GEO)
- Content Briefs, Content Strategy & Content Calendars
- Competitor & Audience Research
- Marketing Analytics — Google Analytics, Excel Dashboards, Performance Reporting
- Cross-Functional Collaboration (Content, Design & Development Teams)

CONTENT & SEO EXPERIENCE

SEO Intern | Return On Web (ROW)

May 2026 – August 2026

Pune City, India

- Executed on-page SEO on live client websites, including metadata, headers, and internal linking, under guidance from senior SEO professionals.
- Applied search-intent alignment and content-improvement strategies to real client pages, building production-level SEO judgment.
- Learned SEO fundamentals in a hands-on, agency environment, working directly on the on-page and content side of client sites.

Social Media Marketing Intern | ACLM Services

June 2025 – August 2025

Pune District, India

- Wrote UGC scripts, email campaigns, and marketing copy aligned with brand voice and search intent — the core writing muscle behind this role.
- Created content briefs used to guide campaign content, translating audience research into a clear content direction.
- Conducted market research and audience segmentation to sharpen targeting and content relevance.
- Performed competitor and influencer analysis to identify content and collaboration opportunities.
- Assisted in campaign optimization using AI tools, an early hands-on introduction to AI-assisted content and search work.
- Collaborated with design and product teams to improve on-page engagement and UX.

Social Media Coordinator | Dadasaheb Balpande College of Pharmacy

September 2022 – September 2023

Nagpur, India

- Wrote and produced multi-format content (posts, captions, video scripts) to drive event awareness and engagement.
- Researched audience behavior and content trends to shape campaign ideas that resonated with a student audience.

EDUCATION

Master of Business Administration (MBA), Marketing

Savitribai Phule Pune University (SPPU) & IndSearch, Pune | September 2025 – September 2027

Bachelor of Pharmacy (B.Pharm)

Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU) | May 2020 – May 2024
